Biology Major with a Bioinformatics & Computational Biology Minor

To enroll in CS 201 or CS 202, get permission from the Computer Science Department before enrolling in GET. Math 105 will substitute for Math 104B. See biology advisor for course substitution on GET. BINF 400 can count as an Upper Division Elective.

Math 104A & 105, respectively, can be met by exit exam. ¹fulfills requirement for biology major
