Disaster Preparedness

Weekly Disaster Supplies Checklist

This Disaster supplies calendar is intended to help you prepare for disasters before they happen. Using the calendar, you can assemble disaster supplies in small steps over a five-month period. Check off items you gather each week. Remember to change and replace perishable supplies (such as food and water) every six months.

Week 15

To Do:

- "Child proof" latches or other fasteners for your cupboards
- Labels for your equipment and supplies
- Double-sided tape or hook-and-loop fasteners (such as Velcro®) to secure moveable objects
- Emergency ladder for upper story windows, if needed
- Bolt bookcases and cabinets to wall studs.
- Label equipment and attach instructions.
- Install latches on cupboards and secure moveable objects.
- Install an emergency escape ladder for upper story windows.
