Nuts & Bolts

Loop Closed For Repairs Until 12/22
The loop between Phase I and II will remain closed for repairs until 12/22. This may delay the delivery of mail and packages. We appreciate your patience.

Parking Lot 7A Cleaning Canceled December 22 and 29
The cleaning of Parking Lot 7A has been canceled for December 22 and 29, so cars can remain in the lot on those days.

Closed For The Holidays
- The Community Center, which houses the Game Room and Computer Lab, will be closed from December 9–January 21.
- The Dining Commons is closed until January 21.
- The Mail Room will operate on a reduced schedule during winter break, closing at 5 p.m. (instead of 5:30) and on Saturdays. Also, it will be closed December 23–January 1. Please make sure to pay extra attention on the dates your packages or letters are anticipated to arrive as USPS, UPS, FedEx, Amazon and other delivery services will be suspended and no staff will be available or eligible for receiving mail and packages.

Parking Permit Information
If you have a residential parking pass, it expires Jan. 21. If you don’t, consider getting a winter pass (valid from Jan. 2–21). Spring 2018 parking permits are now available at the Parking and Transportation Center.

More Financial Aid The Earlier You Apply
Want to receive the most financial aid possible? Fill out your FAFSA now and don’t wait until the priority filing deadline of March 2, 2018. Aid is limited and issued on a first-come, first-served basis based on your eligibility. Go to fasfa.gov to submit your 2018–2019 Free Application for Federal Student Aid (FAFSA), or dream.csac.ca.gov/ to submit your California Dream Act Application (CADA).

Building 2 Laundry Room Temporary Closure
The laundry room in Building 2 is temporarily closed for repairs. Please use the laundry rooms in Buildings 1 or 3 instead. We’re sorry for the inconvenience.

Ordering And Expecting A Package?
To ensure safe delivery of your package, make sure to use the correct mailing address (5300 or 5600 Paseo Rancho Castilla). Also, in the special instructions or comments field, state to deliver the package to the Housing Mail Room. Amazon uses local carriers who may deliver your package to the wrong location unless you indicate that it must be delivered to the Mail Room where we can accept it, sign for it and keep it safe until you pick it up. If you do not include this, the carrier may leave your package on a doorstep where it can be stolen.

Increased online ordering due to the holidays has caused delivery delays in our local area. Due to the increase, carriers have been late dropping packages off to the Mail Room. Same-day arrival and pick-up will be challenging during this time. With both the late arrivals and large volumes of packages, we ask for your patience as our office will do everything possible to sort, organize and distribute packages as quickly as possible.
