Nuts & Bolts

It’s Not Too Late To Apply To Live On Campus Next Year!
You can still apply to live on campus! You will be placed on the waitlist. Apply now by submitting the 2018–2019 License Agreement online, $500 payment and TB Clearance. The sooner you apply, the higher up you will be on the waitlist.
You Can Still Live On Campus This Summer
The application to live on campus for the summer is available online. Before applying, please read important information about the Summer 2018 Housing Process on our website.

Summer Classes
Summer classes are offered through the College of Professional and Global Education. Check out the Summer Session webpage for more information.

Limited Financial Aid is available for the summer. Check out their website for more information.

Donate Clothing, Bedding and Other Cloth Items: May 7–June 1
Help the environment by recycling your old clothes, shoes, beddings, backpacks, etc. USAgain is a textile recycling leader that will reuse your items regardless of their condition! Divert them from landfills by putting them in the white and green USAgain bins that will be located in Phase I, II and GEA instead of the trash.

E-Waste Bins: May 7–June 1
Please place any electronics you don’t want in the e-waste bins in Phase I and II. Help Cal State LA go green by not putting electronics in the trash.

Money Matters
