Extension of Stay (F-1/J-1 Student)

An F-1 or J-1 international student may request an extension of stay if the student did not complete his/her course of studies by the date indicated on PROGRAM END DATE of the I-20 or the DS-2019. If additional time is necessary to complete required elements of the current degree program, the student must submit the required documents requesting an extension of stay at least 2 weeks prior to the current end date of the I-20/DS-2019 in order to guarantee timely processing. The student may submit the request no more than 90 days prior to the I-20/DS-2019 expiration.

Eligibility

The student must have maintained his/her status as a full time student. If the student violated his/her status as an international student and is out of status, the student must complete the reinstatement procedure. (See International Office advisor for details on Reinstatement).

Application Procedure

The student must submit the following documents:

1. I-20 or DS-2019 Request Form;
2. Financial documents and sponsor letter (original) indicating your ability to fund your studies for one academic year or duration of the extension, whichever is shorter;
3. Letter from Department Academic Advisor (if the reason is medical related, a letter from a licensed physician is also required);
4. Copy of passport (biographical page with expiration date); and
5. I-94 card copy (front and back).

The International Office must review and endorse all extension of stay requests submitted to U.S. Citizenship and Immigration Services.
