Disaster Preparedness

Weekly Disaster Supplies Checklist

This Disaster supplies calendar is intended to help you prepare for disasters before they happen. Using the calendar, you can assemble disaster supplies in small steps over a five-month period. Check off items you gather each week. Remember to change and replace perishable supplies (such as food and water) every six months.

Week 10

- Waterproof portable plastic container (with lid) for important papers
- Battery powered radio
- Wrenches needed to turn off utilities
- Self-Powered Hand-Crank Radio \$30.00

To Do:

- Discuss with your support network when it is appropriate to turn off utilities during an emergency, and attach a wrench to the cutoff valve of each utility meter.
- Make photocopies of important papers and store safely.
